Ether Earth Fire Air Water

Ayurveda, the Vedic wisdom of life tells us about five elements. Five principles of matter. Those five cosmic principles are ether, air, fire, water, and earth. The five elements of Ayurvedic physics are related to ancient Vedic understanding of cosmology and energy.

4 Golden Rules of SPAGIRIA

1.

Earth for you, you for Earth

We are using only natural beauty products scented with natural essential oils and components.

2.

Pure World for your children

We care the health of planet: our wasted products are bio-degradable organics and packaging material is fully recyclable cosmetics aluminium.

3.

We care for our customers

4.

We love and respect all living creatures

We do not use cosmetics that is tested on animals. And we do not use cosmetics that contains animal products. The Earth is our home and there is no place for violence and cruelty for the «sake of the beauty industry»
